

Dear Students and Parents,

I am looking forward to seeing you in Third Grade! It will be an exciting school year. It is important, though, to maintain the skills you learned in Second Grade. Remember to review **math facts** and adding and subtracting with regrouping. Utilizing the IXL program is good practice (complete only 2nd grade skills). It is available all summer.

Reading and **writing** during the summer is also important.

Attached you will find a **Reading List** for Third Grade. Students, you will need to read 2 books during the summer months. You need to complete the attached Book Report for 1 book and be ready for a Reading Counts quiz with the 2nd book. When you return in September you will complete a Reading Counts quiz and hand in the report. The Report will count as a grade.

Parents, when the students report to school in September, please do not send in any money for stationery. Below is a list of the items that will need to be purchased here at St. Charles and items you may purchase outside of school. A price list will be given to you during the summer. Stationery items will be sold once you return. Enjoy the summer months and be safe!

Thank you,
Mrs. DeLeon

ITEMS TO BE PURCHASED
